Re: United States v. Gregory Smith, 16 Cr. 646 (PAC)

Dear Judge Crotty:

I write with the consent of the Government and Probation Office to request a 60-day adjournment of the July 16 VOSR conference. The reason for this request is that Mr. Smith's state case, which concerns the same conduct underlying the specifications against him in federal court, has not yet resolved because of delays related to the COVID-19 pandemic. Because the resolution of the state case will likely impact the resolution of the VOSR proceedings, the parties believe an adjournment to continue to track the state case is appropriate.

Respectfully submitted,

/s/ Jonathan Marvinny
